

# GUESS WHO'S COMING TO DINNER? CATERERS

*feeding our future one child at a time*

## Our Mission

- • • • At Guess Who's Coming to Dinner Caterers, we truly take pride in our school lunch
- • • • program. We understand that children can be finicky eaters and how difficult it can
- • • • be to get them the nutrition they need. With over 30 years of service in the DFW
- • • • metroplex, we believe strongly in our mission to provide quality, nutritious meals that
- • • • appeal to kids while teaching important lessons about healthy eating.

## Our Methods

We've modified childhood favorite foods to make these not so healthy dishes healthier • • • •  
by seamlessly combining them with alternative ingredients. Our mashed potatoes • • • •  
contain pureed cauliflower and we use 2% milk instead of cream to reduce the fat • • • •  
content, including our mac n' cheese! We do not serve any fried, processed, or canned • • • •  
foods, and we are also a nut-free facility. The practice of using these healthier  
substitutions is incorporated throughout all of our menus.

## What's for lunch?

- • • • Daily menu choices include two different hot and cold options, and additional snacks
- • • • and drinks which can be restricted through the lunch account. **Students in 4th-12th**
- • • • **grade will file through the line each day to select their meals.** They will use the
- • • • Student ID listed on their LINQ account to checkout.

## Meals for PreK-3rd Grade

**Weekly preordering is required for students in K-5th grade.** • • • •

The deadline to place orders is every Friday at 9AM. Reminder emails to place orders • • • •  
for the following week will be sent every Monday, and the form is also accessible • • • •  
through the lunch portal. • • • •

## Lunch Accounts

- • • • Lunch accounts are managed through LINQ Connect, formerly known as TITAN.
- • • • Login credentials will remain the same as last year. **New students for the upcoming**
- • • • **school year will be imported into LINQ prior to the first day of school.** Please be on
- • • • the lookout for an email from us with steps to register and set up your LINQ account.

## Visit the Lunch Portal

**To find out more about lunch service, visit the lunch portal!** • • • •

The portal will have everything you'll need throughout the year and can be accessed • • • •  
24/7. As always, please do not hesitate to contact us directly if you have any questions • • • •  
or concerns. • • • •

We look forward to serving your school's community!
